

ANDÚJAR FOR YOUR SENSES

Private host

I'm Juani, I'll be your host in Andújar so you can experience it with all your senses.

Andújar is a little-known destination, yet it has a wealth of tourist attractions, notably its Natural Park, home to the Iberian lynx and a unique biodiversity, with numerous trails for spotting flora and fauna.

It is also home to the Sanctuary of the Virgin of La Cabeza, one of Spain's main pilgrimage sites, as well as olive groves, a tradition of flamenco, artisan pottery and outstanding tapas cuisine. An experience to be discovered with all your senses alongside a local host and their friends.
