Private host

I'm Jordi, I'll be waiting for you in Barcelona to show you around the city.

Barcelona is a cosmopolitan and modern city, where Gaudí's modernist buildings stand out, along with Las Ramblas, the Gran Teatre del Liceu, and the Boquería Market, key cultural meeting points. A visit to the Sagrada Familia is one of the most special moments of the experience. Accompanied by a local host who will share stories about the city, the experience is completed with a visit to Montserrat mountain, an immersion in the world of cava, and Mediterranean sunsets from the coastal town of Sitges.
